

Meeting Minutes

Date: **March 9th 2016**
Time: From 10:30 AM to Noon
Location: Utah State DEQ Multi Agency Office Building, Room 1015
Address: 195 N 1950 W, Salt Lake City, Utah

Mission Statement: The Utah Storm Water Advisory Committee will coordinate efforts to reduce storm water pollution and provide adequate flood control. The committee will jointly review governing regulations, disseminate information to enhance compliance with those regulated, promote effective storm water management training, and assist local municipalities and other interested parties to implement best management practices, consistent with their individual needs and resources. The committee will also review any proposed storm water regulations to assess potential impacts on the regulated community.

- Welcome to the USWAC members and introductions:

REPORT ITEMS

- State of Utah Updates:
 - DWQ Programs and EPA by Jeff Studenka: *EPA's Phase One Electronic reporting rule is now in force. All facilities that submit Industrial and Municipal BNR's must do so online. Contact Monique or Edith for help connecting to website. All NOI's will be required to be electronic in phase 2, which will be in 4.5 years. MS4 Remand Rule out to public comment until March 21.*
 - Municipal Program by Rhonda Thiele: *UDOT permit will be up on the website soon. Small MS4 General Permit was effective March 1st. New and renewal MS4's, are required to submit an updated SWMP within 120 days (July 1st). Post Construction programs must be up and operational within 180 days from effective date (Sep 1). There are a number of presentation and educational opportunities coming up, Weber Coalition Meeting, Water Users Conference, If Coalitions are looking for training contact Jeanne.*

- Industrial Program by Mike George: *Looking for people to join the industrial subcommittee. Please contact George or Nestor if you are interested.*
- Construction Program by Harry Campbell: *Common plan permit was issued 1st of February. Currently cannot be applied for on line. Harry and Ashley have been working with DOPL to get contractor CEUs for trainings offered by Coalitions. Common Plan SWPP template has been issued. If you have further comment or suggestions for it, please contact Harry.*
- Storm Water Program by Jeanne Riley: *She is available to new permittees to answer questions.*
- Storm Water Program by Monique Rodriguez:
- Groundwater Protection by Candace Cade or Brianna Ariotti:
- Facility Visits by Frances Bernards:
- Presentation (11:00): Brian McInerney, Hydrologist-National Weather Service
- USWAC Subcommittees Updates:
 - Industrial (Nestor Gallo): *Mike stated that the meeting for today has been postponed since Nestor could not attend today.*
 - Post Construction (Tom Beesley): *Some comments have been received for the post construction agreement template. Those comments are going to be incorporated into the document, and it will be sent out for further review at that time.*
 - R.S.I. Program (Paul Taylor): *There is an RSI class being taught somewhere in the state every month of the year except for July. The RSI committee will be meeting to consider new candidates for RSI instructors. Talked more about how USWAC is working with DOPL to reinstate the ability to give CEUs to contractors for RSI and other trainings. Ashley indicated that if the State "sponsors" the training then the DOPL fees are waived. If your coalition is having training, be sure to let Harry know about it in advance.*
 - R.S.R. Program and APWA (Trace Robinson): *Working through presentation for new RSR program. Committee is working RSR presentation. Should be ready for a review in a couple of weeks. There will be no training at Road School, but should be ready for APWA fall conference.*
 - Education and Training Program (State): *Discussion about the methods for calculating the 90th percentile storm event. Harry will present a way to perform this calculation.*
- APWA News and Updates by Trace Robinson: *The call for presentations is out right now for fall conference. If anyone has any idea's or wishes to make a presentation contact Trace. Also looking for a key note speaker, and vendors. Would like to have things set up for conference by May.
